

James City County Parks and Recreation Facility Request Form

Organization: _____ **Contact Name:** _____ **Contact Number:** _____

Requests are granted based on a number of factors including: number of James City County residents served, age of participants, level of competition, suitability of space and condition of fields. You may list specific locations; however, sites cannot be guaranteed. Requests should be similar to last year's allocated facility use unless there has been significant changes in participation numbers. Synthetic turf fields at WSC should be utilized by oldest age groups predominantly. Select grass field sites are offline from mid-June through mid-August for rest and renovation purposes. Facility requests listed below are to be used by your organization's regular season practices and games only.
